

Knowledge sources on EU Artificial Intelligence policy

Info-session for national parliaments

Dear colleagues,

The European Parliamentary Research Service (EPRS) invites you to an **online info-session**, specially organised for national parliaments, which will look at **EU Artificial Intelligence policy** and its related available knowledge sources. This event will take place on 12 September 2023 from 10:00 to 11:00 on the Webex platform.

In this info-session, EPRS policy analysts will provide an overview of the policy areas and legal bases related to digital transformation under the EU Treaties. It will cover new or updated legislation or guidelines on robotics and artificial intelligence, safety and liability, access to data, online platform regulation and cybersecurity. The session will also introduce you to relevant EPRS publications and other knowledge sources, which are currently available on the internet in this field.

If you are interested to attend this info-session, please register through the link below. It will only take a minute.

Please do not hesitate to forward this invitation to any colleague who may be interested to attend. If you have any questions or comments, please contact the EPRS Linking the Levels team at EPRS-LinkingLevels@europarl.europa.eu.

We look forward to seeing you on 12 September for a stimulating discussion.

Kind regards,

Annamaria Forgacs

Head of the Linking the Levels Unit
