<p>Moldova</p>	<p>Energy Efficiency Agency has been set up, engagement with Energy Community Secretariat to approximate with EU legislation</p> <p>Develop connections to the European Gas and Electricity Regional Network and streamline the process of accession to the ENTSO-E and ENTSO-G (European Networks of Transmission Systems Operators for Electricity and Gas).</p>	<p>ENPI; sector budget support on the reform of the energy sector</p>	<p>Establishment of a regulatory and institutional framework promoting energy efficiency</p> <p>Increase of renewable energy use</p>

Ukraine	<p>To ensure sector viability, carry out sector reforms, modernise the natural gas (GTS) transmission system and domestic gas distribution network, restructure financially and corporatize Naftogaz and ensure domestic gas prices reflect costs</p> <p>Strengthen the overall institutional framework for promoting energy efficiency and renewable energy in Ukraine and engage further with Energy Community Secretariat to approximate with EU legislation</p>	<p>ENPI: ongoing energy sector budget support programme EU support for Ukraine GTS rehabilitation through NIF grants, EIB and EBRD loans</p>	<p>Financial and fiscal viability of the Ukrainian energy sector secured</p> <p>Establishment of a regulatory and institutional framework promoting energy efficiency Increase of renewable energy use</p>
<p><b>C.2.b Enhance levels of nuclear safety</b></p> <p>Armenia</p> <p>Belarus</p>	<p>Approximation of a regulatory framework for nuclear safety Upgrade safety standards of existing NPPs (Nuclear Power Plant), in cooperation, where appropriate, with other IFIs (notably EBRD)</p> <p><u>Armenia</u> – Implementation of a Joint Declaration on comprehensive risk and safety assessments of nuclear plants (stress tests)</p> <p><u>Belarus</u> - Implementation of a Joint Declaration on comprehensive risk and safety assessments of nuclear plants (stress tests)</p> <p>Submission to the EU of Environmental impact assessment for Belarus nuclear power</p>	<p>EURATOM loans to third countries* (Council Decision 94/179/Euratom of 21.03.1994, amending Decision 77/270/Euratom)</p> <p>EU assistance through Instrument for Nuclear Safety Cooperation (INSC) in Armenia</p> <p>EU support through INSC. EU studying Belarus environmental impact assessment. Bilateral consultations to start mid-2012</p>	<p>Nuclear safety standards upgraded</p> <p>Progress towards early closure of Medzamor nuclear power plant</p> <p>Belarus invited to apply criteria of stress tests for design of its planned nuclear power plant</p>

\* In the EaP region, potential beneficiary countries are Ukraine and Armenia

Ukraine	<p>plant project</p> <p><i>Ukraine</i> – Implementation of a comprehensive programme on nuclear safety improvement at Ukrainian NPPs (the 'upgrade package') to address the Ukrainian regulatory requirements and take into account the findings of the Joint European Commission-IAEA-Ukraine project on evaluating of the nuclear safety of the Ukrainian NPPs</p> <p>Implementation of a Joint Declaration on comprehensive risk and safety assessments of nuclear plants (stress tests)</p>	Request for Euratom loan under evaluation	Stress tests are expected to be completed by mid 2012. Project financing by early 2013 provided policy accompanying measures are implemented
<p><b>C.3. Transport</b>  <b>C.3.a. Conclusion and implementation of Aviation Agreements</b></p> <p>Armenia</p>	Regulatory approximation through gradual implementation of EU aviation legislation, including in the following areas: aviation safety, aviation security, consumer protection (such as passenger rights), environment (noise), social aspects, air traffic management, market access related issues such as slots and ground handling and airport charges.	<p>Technical assistance under ENPI, Twinning, TAIEX and SPSP (Sector Policy Support Programme) under ENPI</p> <p>Armenia: Twinning project on aviation</p>	Armenia: assuming that there is an interest and readiness to negotiate an agreement with the EU, the Commission could seek a negotiating authorisation from the Council in 2012. The negotiations could be launched once MSs have authorised the Commission to negotiate.

Azerbaijan		Azerbaijan: Twinning project on aviation planned	Azerbaijan: assuming that Azerbaijan has examined the draft agreement and prepared its negotiating positions, negotiations could start in 2012 (tentatively first half of 2012).
Georgia		Georgia: Twinning project on aviation	Georgia: the agreement that was signed in 2010 is being implemented under the EU-Georgia Joint Committee. The agreement could come into force by 2013, assuming that it has by then been ratified by all EU Member States.
Moldova		Moldova: Framework programme in support of EU-Moldova agreement twinning and other projects under CIB - ENPI	Moldova: First meeting of the Joint Committee set up by the EU-Moldova Civil Aviation Agreement to assess the implementation and progress made on the transposition of the EU's aviation acquis.
Ukraine		Ukraine: Technical assistance and sector policy support project in transport EIB loan for Air Navigation upgrade co-financed with EBRD	Ukraine: assuming that solutions can be found on the remaining outstanding issues relating in particular to safety, negotiations could resume in 2012 and the agreement could be subsequently signed.

<p><b>C.3.b Maritime Safety</b></p> <p>Georgia</p>	<p>Capacity building of Maritime Transport Agency          Organisation of training for Maritime Transport Agency staff</p>	<p>Technical assistance under ENPI and TAIEX</p>	<p>Improvement of Maritime Transport Agency performance with respect to maritime safety, security and environmental protection</p>
<p><b>C.4. Regional development, agriculture and rural development</b></p> <p><b>C.4.a. Launch or enhancement of regional policy dialogues and development of Pilot Regional Development Programmes (PRDPs)</b></p>	<p>Promote a strategy-based, inclusive approach to reducing economic and social regional disparities and realising regional economic potential.</p>	<p>ENPI</p>	
<p>Armenia:          Follow up initial contacts on development of a dialogue and on PDRPs.</p>	<p>On the basis of the Regional Development Strategy and in close collaboration with the EU delegation, pilot projects will be developed for possible EU financing.</p>	<p>ENPI</p>	<p>Progress toward further regional policy dialogue by 2013 will depend on an expression of formal interest by the government.</p> <p>Pilot projects are identified and will be proposed for financing.</p>
<p>Azerbaijan:          Follow up initial contacts on development of a dialogue and on PDRPs.</p>	<p>Azerbaijan has submitted a Regional Development Strategy. The EU delegation is working with the government on how to develop pilot projects with a clear cohesion dimension in the most appropriate form</p>	<p>ENPI</p>	<p>Progress toward further regional policy dialogue by 2013 will depend on an expression of formal interest and commitment by the government.</p>

<p>Georgia: Follow up launch of dialogue by putting work programme into effect.</p>	<p>On the basis of Georgia's Regional Development Strategy, the EU is implementing a large Sector Policy Support Programmes on Regional Development. This Programme can integrate further PRDP funding for the identification of pilot projects.</p>	<p>ENPI</p>	<p>Progress on the work programme and enhanced dialogue is to be expected by 2013.</p> <p>Pilot projects identified and proposed for financing</p>
<p>Moldova: Follow up launch of dialogue by putting work programme into effect.</p>	<p>Moldova's Regional Development Strategy to serve as the basis for identification of PRDPs</p>	<p>Pilot Regional Development Programme under finalisation; to be supported from 2012 (ENPI)</p>	<p>Pilot projects identified and proposed for financing. Progress on implementation of the work programme is to be expected by 2013.</p>
<p>Ukraine: Follow up launch of dialogue by putting work programme into effect</p>	<p>Revision of the regional development strategy. The Parliament approved the setting up of a regional development plan in January 2012.</p>	<p>A project in support of Regional Development was approved in 2011 (ENPI)</p> <p>A sector budget support programme to regional development for 2012 is under consideration (ENPI)</p> <p>The PRDP concept has been taken into account in the current and future projects.</p>	<p>By 2013:</p> <p>Progress on implementing of the work programme</p> <p>Finalisation and approval of the State policy on regional development</p> <p>Operationalisation of the region development fund</p> <p>Beginning of implementation of some PRDP</p>
<p><b>C.4.b. Agricultural sector dialogue and European Neighbourhood Programme for Agriculture and Rural Development (ENPARD)</b></p>	<p>Sector dialogue on agriculture and rural development covered by existing subcommittees, established high-level dialogues (Ukraine) or regional dialogues (to be established).</p>	<p>Armenia, Azerbaijan, Georgia, Moldova, Ukraine: Sharing expertise and policy approaches in agriculture and rural development</p> <p>Study to review partners' rural and agriculture policies and strategies in</p>	<p>Continuation of sector dialogue during 2012-2013</p> <p>Preparatory work ongoing for implementation of ENPARD, starting in</p>

		<p>order to prepare for the identification of suitable ENPARD projects</p> <p>ENPARD senior official meeting with ENP countries</p> <p>Azerbaijan: Ongoing sector budget support programmes for agriculture and rural development;</p> <p>Georgia: European Neighbourhood Programme for Agriculture and Rural Development (ENPARD Georgia) planned for 2012</p> <p>Moldova: sector budget support Ongoing economic stimulation of rural areas. EIB concessional loan to upgrade the wine sector (signed Nov. 2010)</p>	<p>Georgia, including sector overview study</p> <p>Further ENPARD cooperation programmes will be considered in the framework of the programming exercise to be launched in summer 2012</p>
<p><b>C.5 Environment and climate change</b></p>	<p>Work on approximating environmental legislation, especially in view of new Association Agreements (Armenia, Azerbaijan, Georgia, Moldova, Ukraine)</p>	<p>ENPI, including Sector Budget Support, twinnings</p> <p>Examples:</p> <p>Moldova: Sector Policy Support Programme (SPSP) in the water supply and sanitation sector (ongoing)</p> <p>Ukraine: Sector Policy Support Programme (SBS) in the field of environment for 2011-2014</p>	<p>Continuous action</p>

<p><b>C.6. Cooperation on macroeconomic and financial stability issues</b>  The core objectives are:  1) Promote macroeconomic stability including price stability, sustainability of public finances and balance of payments positions  2) Promote higher economic and employment growth through appropriate structural reforms  3) Promote financial stability including by way of reforms and regulation in the financial sector</p>	<p>1) Promote the sustainability of public finances and balance of payments positions.  2) Implement appropriate structural reforms.  3) Implement appropriate reforms and regulation in the financial sector.</p>	<p>Approval, where appropriate, of macro-financial assistance (MFA) operations for countries meeting preconditions    Continued provision of MFA and support to partner countries in advancing key policy reforms as agreed in Memoranda of Understanding.    Strengthening regular bilateral macroeconomic dialogues</p>	<p>Continuous action    Continuous action    Continuous action</p>
<p><b>C.7 Customs cooperation and trade facilitation</b></p>	<p>Strengthen customs cooperation, remove procedural, human resource and infrastructural bottlenecks and implement customs modernisation strategies</p>		
<p>Belarus</p>	<p>Strategic Framework (SF) for EU-Belarus Customs Cooperation</p>	<p>Strategic framework proposed by the EU in 2011. Belarus is expected to react</p>	<p>Roadmap for implementation of SF to be agreed following its endorsement</p>
<p>Moldova</p>	<p>Implementation of the Strategic Framework (SF) for EU-Moldova Customs Cooperation</p>	<p>Strategic framework agreed and endorsed in 2011</p>	<p>Roadmap for SF implementation to be agreed in early 2012</p>
<p>Ukraine</p>	<p>Implementation of the Strategic Framework (SF) for EU-Ukraine Customs Cooperation</p>	<p>Strategic framework agreed. Endorsement expected in the first half of 2012</p>	<p>1st half of 2012- agreement on the road map for implementation of SF</p>

<p><b>C.8. Employment and social cooperation</b></p>	<p>Cooperation in line with the provisions of the ENP Action Plans/ Association Agendas including ensuring respect for trade union rights and core labour standards. Engaging in a dialogue on employment and social policy with a view to develop an analysis of the situation and to identify key challenges and policy responses (employment policy, social protection policy, social inclusion policy, social dialogue, health and safety at work, labour law, gender equality) gradually moving towards EU practices and including implementation of the EU acquis on health and safety at work, labour law and working conditions.</p>	<p>ENPI including TAIEX, Twinning, EIDHR</p>	<p>Establishment and consolidation of EU-partner country dialogues on employment and social policies</p> <p>Relevant legislation is being reviewed. Process for revision/ adjustment has started</p> <p>Measures are being put in place to support capacity-building for social partners and social dialogue</p>
