The period of time in relation to which the Disincentive Payment is applied will run from the date of the last disbursement part of the Financial Assistance Amount to the date of the communication to the Beneficiary Member State by the Eurogroup or EWG of the decision regarding non-compliance which stops or would (as may be determined in writing by EFSF) have stopped a new disbursement of the financial assistance. In particular, the EFSF Cost of Funding shall include an adjustment for interest accrued on EFSF Debt Securities which are issued and commence to bear interest from a date earlier than the Disbursement Date of the relevant Tranche of Financial Assistance when such EFSF Debt Securities are delivered to or to the order of the Beneficiary Member State.  - (c) the principal amount of the Financial Assistance Amount to be disbursed on each Disbursement Date and confirmation that this represents the product of (i) the EFSF Funding Percentage and (ii) the consideration due to investors under the Invitation on such Disbursement Date, provided that the aggregate Financial Assistance Amount shall not exceed at any time the amount of the Euro Area Securities Component.
- (3) Following a Request for Funds, EFSF's obligation to make the Financial Assistance available to the Beneficiary Member State shall be subject to:
- (a) EFSF having received:
 - (i) a legal opinion satisfactory to it given by the Legal Advisor to the State at the Ministry of Finance of the Beneficiary Member State in the form set out in Annex 5 and such opinion remains correct and accurate as at the Disbursement Date. Such legal opinion shall be dated not later than the date of the Request for Funds. The Beneficiary Member State undertakes to inform EFSF immediately if, between the date of the legal opinion and the Disbursement Date, any event occurs that would render incorrect any statement made in the legal opinion;
 - (ii) a certificate of compliance satisfactory to it given by the Legal Advisor to the State at the Ministry of Finance of the Beneficiary Member State in the form set out in Annex 6 and such certificate of compliance remains correct and accurate as at the Disbursement Date. Such certificate of compliance shall be dated not later than the date of the Request for Funds. The Beneficiary Member State undertakes to inform EFSF immediately if, between the date of the certificate of compliance and the Disbursement Date, any event occurs that would render incorrect any statement made in the certificate of compliance; and
 - (iii) legal opinions from Cleary Gottlieb Steen & Hamilton and/or their correspondent law firms regarding compliance by Greece with applicable terms and conditions in its bonds or loans.
 - (b) EFSF having received from the Minister of Finance of the Beneficiary Member State an official document indicating the persons authorised to sign the Request for Funds (and thus validly commit the Beneficiary Member State) and containing the specimen signatures of these persons;
 - (c) the signature of the PSI MoU and compliance by the Beneficiary Member State with the terms of the MoU;

- (d) EFSF having received from the Beneficiary Member State a notification of the launch of the Voluntary Liability Management Transaction reflecting (i) the aggregate principal amount of the outstanding debt obligations of Greece which are the subject of the offer and (ii) the individual series of debt obligations of Greece and the respective amounts which are subject of the offer;
- (e) EFSF having received a notification from the Beneficiary Member State on the Acceptance Percentage, reflecting (i) the aggregate principal amount of outstanding debt in respect of which acceptances are received and/or which are bound by the terms of the Voluntary Liability Management Transaction and (ii) the acceptance and the respective amounts of each individual series of debt obligations of Greece which was subject of the Invitation;
- (f) EFSF having received from the closing agent responsible for the calculation of the Acceptance Percentage, information on the acceptance and the respective amounts of each individual series of debt obligations of Greece which was subject of the Invitation;
- (g) the Acceptance Percentage has reached the minimum threshold specified in the documentation of the Voluntary Liability Management Transaction or such higher percentage (if any) required by the MoU, the conditions precedent to the Voluntary Liability Management Transaction, other than the delivery of the Euro Area Securities Component under this Agreement pursuant to the Request for Funds, have been satisfied in full and the New Greek Bonds required to finance the other component of the consideration for the Invitation to be delivered on the relevant Disbursement Date have been issued ;
- (h) EWG and EFSF (in their absolute discretion) having approved the disbursements under this Agreement in connection with the Voluntary Liability Management Transaction after taking into account all factors they consider relevant including review of the report regarding the level of acceptance under the Voluntary Liability Management Transaction (with precise details in relation to the ISINs, maturities and amounts of the bonds in relation to which there has been an acceptance) and fulfillment of prior actions under the MoU by the Beneficiary Member State and EFSF being satisfied that the conditions to drawdown under this Agreement are satisfied;
- (i) EFSF having received, on or before the Disbursement Date the net proceeds of the Funding Instruments in an amount sufficient to finance the relevant Financial Assistance;
- (j) no material adverse change having occurred since the date of this Agreement such as would, in the opinion of EFSF, after consultation with the Beneficiary Member State, be likely to prejudice materially the ability of the Beneficiary Member State to fulfill its payment obligations under this Agreement, *i.e.* to service the Financial Assistance and to repay it; and
- (k) no event or circumstance having occurred or which, upon entry into this Agreement or following a disbursement of this Financial Assistance Facility Agreement or the implementation of the Voluntary Liability Management

Transaction, would occur which would entitle EFSF to declare an Event of Default under Clause 8 which event or circumstance has not been cured to the satisfaction of EFSF.

- (4) If the conditions in Clause 3(3) are satisfied (except for the condition referred to Paragraph (i) of Clause 3(3) that needs to be satisfied on the relevant Disbursement Date), EFSF, provided that the EWG accepts EFSF's proposal for the detailed terms of the Financial Assistance, shall send the Beneficiary Member State an Acceptance Notice setting out the provisional terms on which EFSF is willing to provide the relevant Financial Assistance to the Beneficiary Member State. Following the acknowledgement of an Acceptance Notice by the Beneficiary Member State, the Beneficiary Member State and EFSF shall irrevocably be bound by the terms of the Acceptance Notice, subject to however in all cases EFSF being able to obtain the funds requested from the international capital and/or banking markets and the non-occurrence of a Market Disruption Event or an Event of Default. In the event that EFSF, subject to compliance with the then applicable EFSF Funding Guidelines, can only raise funds for the relevant Financial Assistance by issuing Funding Instruments denominated in a currency other than euros and by entering into related currency hedging arrangements EFSF shall inform the Beneficiary Member State that it needs to raise financing on such a basis. Any additional costs incurred by EFSF in connection with currency hedging arrangements shall be borne by the Beneficiary Member State.
- (5) The Beneficiary Member State hereby expressly authorises EFSF to enter into one or more Pre-Issuance Operations of EFSF Debt Securities following a Request for Funds but prior to satisfaction of the conditions to disbursement in Clause 3(3) and on delivery of an Acceptance Notice under Clause 3(4). EFSF shall promptly inform the Beneficiary Member State in writing of the financial terms of such Pre-Issuance Operations. The Beneficiary Member State shall bear all costs incurred by EFSF in relation to the Pre-Issuance Operations (including any financing costs, margin, negative carry, losses, costs, hedging costs or other fees or expenses) regardless of whether the Financial Assistance requested in the relevant Request for Funds is in fact disbursed. The fact that EFSF is prepared to carry out and enter into any Pre-Issuance Operation will not in any manner affect its or the Guarantors' decisions regarding disbursement of the Financial Assistance or any Instalment thereof or on whether any conditions precedent to the disbursement are satisfied.
- (6)
 - (a) If no acknowledgement is received within one Business Day of delivery of the Acceptance Notice such notice is cancelled and shall be of no further effect and the Beneficiary Member State shall be required to submit a new Request of Funds for the relevant Financial Assistance. After serving the Acceptance Notice and receiving the Beneficiary Member State's acknowledgement of the terms set out therein, EFSF shall, at its discretion, launch the issue of EFSF Debt Securities to permit the funding of the relevant Financial Assistance to be provided in respect of the Request for Funds.
 - (b) If EFSF, due to prevailing market conditions at the time of launching an issue of or seeking to enter into Funding Instruments to finance or to re-finance Financial Assistance (including in relation to the issue of Funding Instruments

which re-finance the EFSF Debt Securities or Funding Instruments which finance or re-finance all or part of the relevant Financial Assistance) is not able to obtain funding, then EFSF shall not be under any obligation to make further disbursements of Financial Assistance in respect of such Financial Assistance.

- (c) EFSF shall consult with the Beneficiary Member State no later than five (5) calendar weeks prior to the scheduled maturity of a portion of a Funding Instrument which is scheduled to be renewed or rolled-over with a view to determining whether EFSF can obtain funding to re-finance such portion of the Funding Instrument or whether a Market Disruption Event has occurred.
 - (d) If EFSF certifies in writing to the Beneficiary Member State that a Market Disruption Event has occurred then EFSF shall not be under any obligation to make further disbursements of Financial Assistance to the Beneficiary Member State or to renew or roll-over the related Financial Assistance until such time as EFSF confirms in writing to the Beneficiary Member State that the events or circumstances which gave rise to such Market Disruption Event have ended.
 - (e) The Beneficiary Member State hereby expressly authorises EFSF to enter into Interim Financing(s) in the event that EFSF concludes that, due to prevailing market conditions at the time of launching an issue of or seeking to enter into Funding Instruments to fund Financial Assistance which is the subject of a Request for Funds or to re-finance such Funding Instruments at their maturity, it will only be possible for it to fund such Financial Assistance partly or entirely by way of one or more Interim Financing(s). The financial terms applicable to Funding Instruments issued under such Interim Financings shall be set out in a Confirmation Notice to be sent to the Beneficiary Member State on the date each such Interim Financing is issued or entered into. The Interim Financing shall, where possible, be re-financed by one or more Definitive Financing and on such date(s) the financial terms applicable to Funding Instruments issued under the relevant Definitive Financing shall be confirmed in a Confirmation Notice to be sent to the Beneficiary Member State. The Beneficiary Member State shall bear all costs incurred by EFSF in relation to the Interim Financing(s) and any Definitive Financing (including in all cases any financing costs, margin, negative carry, losses, costs, hedging costs or other fees and expenses).
- (7) After serving the Acceptance Notice and receiving the Beneficiary Member State's written acknowledgement of the terms set out therein, subject to Clause 3(6) (above), EFSF shall fix a definitive pricing for each Financial Assistance in the light of the terms upon which the Funding Instruments issued or entered into to finance or to re-finance such Financial Assistance are priced and, EFSF shall, issue to the Beneficiary Member State a Confirmation Notice setting out the financial terms of the Funding Instruments financing the relevant Financial Assistance on the Disbursement Date and promptly, within one (1) Business Day of the issue of any Funding Instruments which finance or re-finance the Financial Assistance. The Beneficiary Member State shall be deemed to have accepted in advance the terms of the Financial Assistance set out in the Confirmation Notice. For the avoidance of doubt, EFSF is under no obligation to

consider favourably any request by the Beneficiary Member State at any time to amend or reschedule the financial terms of any Financial Assistance.

- (8) On each Disbursement Date EFSF shall make the Financial Assistance available to the Beneficiary Member State by delivering EFSF Debt Securities in an aggregate principal amount which (after any adjustment for rounding) is equal to the Financial Assistance Amount to the securities account of the Beneficiary Member State maintained at the Financial Institution the details of which shall be advised in writing by Greece or the Bank of Greece to EFSF (with a copy addressed to the Beneficiary Member State) at least two (2) Business Days prior to the Disbursement Date. The Issuance Costs shall be paid by EFSF out of the sums retained, where possible, for this purpose, or invoiced separately; any additional costs incurred may be recovered under Clause 5(5)
- (9) For the avoidance of doubt, the Financial Assistance Amount to be advanced to the Beneficiary Member State as set out in the Acceptance Notice shall not be reduced pursuant to any deduction as contemplated in (i) the definition of Service Fee, (ii) Clause 3(8), in relation to Issuance Costs, or (iii) Clause 5(6) in relation to Negative Carry.
- (10) The disbursement of any Financial Assistance shall under no circumstances commit any of the Parties to proceed with the provision and acceptance of any further Financial Assistance whether under this Agreement or any other agreement between the Parties.
- (11) The Beneficiary Member State's right to request Financial Assistance under this Agreement expires at the end of the Availability Period applicable to the relevant facility, following which any undisbursed amount of the Financial Assistance Facility Agreement shall be considered as immediately cancelled as set out in Clause 2(3)(e).

4. REPRESENTATIONS, WARRANTIES AND UNDERTAKINGS

(1) Representations

The Beneficiary Member State represents and warrants to EFSF on the date of this Agreement and on each Disbursement Date that:

- (a) any Financial Assistance shall constitute an unsecured, direct, unconditional, unsubordinated and general obligation of the Beneficiary Member State;
- (b) the execution, delivery and performance of the Agreement, the Cofinancing Agreement and the MoU (and the transactions contemplated therein including the Voluntary Liability Management Transaction) do not and will not:
 - (i) violate any applicable law, regulation or ruling of any competent authority or any agreement or treaty binding on it or any of its agencies;
 - (ii) constitute a default or termination event (howsoever described) under any of the matters listed in sub-paragraph (i); and
 - (iii) result in the creation of security or give rise to an obligation to grant security or transfer assets (by way of collateral or economically similar arrangements) in favour of any other person;

- (c) no litigation, arbitration or administrative proceedings or investigations of, or before, any court, arbitral body or agency which may prejudice its execution or performance of this Agreement, the Cofinancing Agreement or the MoU (or the transactions contemplated therein including the Voluntary Liability Management Transaction) or which, if adversely determined, are reasonably likely to have a material adverse effect on its ability to perform its obligations under this Agreement, the Cofinancing Agreement or the transactions contemplated herein or in the MoU have (to the best of its knowledge and belief (having made due and careful enquiry)) been started or threatened against it;
- (d) the legal opinion and the certificate of compliance of the Legal Advisor to the State at the Ministry of Finance of the Beneficiary Member State provided in accordance with Clause 3(3)(a) are accurate and correct; and
- (e) the law of Greece does not require EFSF to be authorised as a credit institution or to obtain any licence, consent, or regulatory or administrative authorisation as a condition to providing such Financial Assistance or to be able to enforce the Beneficiary Member State's obligations in relation to such Financial Assistance against the Beneficiary Member State, or if applicable, that an exemption to such requirement exists for EFSF under the law of Greece.

(2) Undertakings

The Beneficiary Member State undertakes, until such time as all principal under this Agreement has been fully reimbursed and all interest and additional amounts, if any, due under this Agreement have been fully paid:

- (a) with the exception of those encumbrances enumerated in Sub-paragraphs (1) to (8) below:
 - (i) not to secure by mortgage, pledge or any other encumbrance upon its own assets or revenues any present or future Relevant Indebtedness and any guarantee or indemnity given in respect thereof, unless the Financial Assistance shall, at the same time, share *pari passu* and *pro rata* in such security; and
 - (ii) not to grant to any other creditor or holder of its sovereign debt any priority over EFSF.

The grant of the following encumbrances shall not constitute a breach of this Clause:

- (1) encumbrances upon any property incurred to secure the purchase price of such property and any renewal or extension of any such encumbrance which is limited to the original property covered thereby and which secures any renewal or extension of the original secured financing; and
- (2) encumbrances on commercial goods arising in the course of ordinary commercial transactions (and expiring at the latest within one year

thereafter) to finance the import or export of such goods into or from the country of the Beneficiary Member State; and

- (3) encumbrances securing or providing for the payment of Relevant Indebtedness incurred exclusively in order to provide financing for a specific investment project, provided that the properties to which any such encumbrances apply are properties which are the subject of such project financing, or which are revenues or claims which arise from the project; and
- (4) any other encumbrances in existence on the date of the signing of this Agreement, provided that such encumbrances remain confined to the properties presently affected thereby and properties which become affected by such encumbrances under contracts in effect on the date of the signing of this Agreement (including for the avoidance of doubt the crystallisation of any floating charge which had been entered into at the date of this Agreement) and provided further that such encumbrances secure or provide for the payment of only those obligations so secured or provided for on the date hereof or any refinancing of such obligations; and
- (5) all other statutory encumbrances and privileges which operate solely by virtue of law and which cannot be reasonably avoided by the Beneficiary Member State; and
- (6) any encumbrance granted or consented to under a securitisation transaction which has been consented to in advance by EFSF provided that such transaction is consistent with the policy conditions of the MoU and is accounted for in national accounts in accordance with ESA 95 principles and Eurostat guidance on securitization operations conducted by Member States' governments; and
- (7) any encumbrance securing the Beneficiary Member State's obligations to any central securities depository, such as Euroclear or Clearstream, given in the normal course of the business; and
- (8) any encumbrance securing an indebtedness of less than EUR 3 million provided that the maximum aggregate of all indebtedness secured by such encumbrances shall not exceed EUR 50 million.

As used in this Clause, "financing for a specific investment project" means any financing of the acquisition, construction or development of any properties in connection with a project if the providing entity for such financing expressly agrees to look to the properties financed and the revenues to be generated by the operation of, or loss or damage to, such properties as the principal source of repayment for the moneys advanced.

- (b) to utilise the Financial Assistance Amount of the Financial Assistance consistently with the Decision(s) as in force at the relevant time and in accordance with the MoU as the same has been modified or supplemented as at the date of the relevant Request of Funds;

- (c) to utilise the EFSF Debt Securities received under the Bond Interest Facility only in accordance with this Agreement and the MoU and not to sell, transfer, grant security over or otherwise deal with these securities other than in accordance with this Agreement and the MoU
- (d) to obtain and maintain in full force and effect all authorisations necessary for it to comply with its obligations under this Agreement and the Cofinancing Agreement;
- (e) to comply in all respects with applicable laws which might affect its ability to perform this Agreement and the Cofinancing Agreement;
- (f) to pay any fees costs and expenses in particular breakage or termination costs, or costs of carry incurred in respect of any Funding Instrument or hedging contract which EFSF may have undertaken under this Agreement following an Acceptance Notice regardless of whether the disbursement of the relevant Financial Assistance takes place;
- (g) The Beneficiary Member State may not amend unilaterally or together with the Bond Creditors (without the prior written consent of EFSF) or waive the terms of the Bond Documents if the amendment or waiver is, in relation to the original form of the Bond Documents:
 - (i) an amendment or waiver which changes any of the Payment Dates under the New Greek Bonds; or
 - (ii) an amendment or waiver which results in an obligation of the Beneficiary Member State to make any Payment which would result on any Payment Date in the cumulative percentage of the original principal amount of the New Greek Bonds which has been reimbursed to exceed the cumulative principal amortisation percentage set out in the Common Amortisation Table (as defined in the Cofinancing Agreement) in relation to such Payment Date.
 - (iii) an amendment or waiver which constitutes an increase in the applicable interest or other amounts payable under the New Greek Bonds other than such an increase or addition which is contemplated by the original form of the Bond Documents; or
 - (iv) an amendment or waiver constituting an increase in the principal amount outstanding of the New Greek Bonds;
- (h) the Beneficiary Member State shall not without the prior written consent of EFSF, directly or indirectly via the Bank of Greece, any affiliate or agent or any special purpose entity enter into or arrange any transactions or arrangements for the acquisition, purchase or exchange of New Greek Bonds whether at a price equal to, above or below par value, unless such transaction or arrangement for the acquisition, purchase or exchange of New Greek Bonds is for the purposes of a short term investment as contemplated under Clause 6(2)(a). Where any transaction or proposed transaction would require the prior written consent of EFSF pursuant to this Clause, the Beneficiary Member

State must notify EFSF of the details of the proposed transaction in accordance with Clause 9(1)(h) in order to request consent no fewer than ten (10) Business Days prior to the date upon which the Beneficiary Member State enters into, or proposes to enter into, any legally binding offer, agreement or arrangement in relation to such transaction;

- (i) more generally, to indemnify and hold harmless EFSF on first demand from and against any costs, claims, losses, damages, liabilities and expenses (including legal fees, costs of investigation and any value added tax or equivalent thereof) incurred or suffered by EFSF and which result from (i) any information which is received from the Beneficiary Member State in connection with this Agreement, the Cofinancing Agreement, the MoU or the transactions contemplated therein being incorrect, inaccurate or misleading; (ii) any breach of the representations, warranties and/or undertakings in this Agreement or the Cofinancing Agreement; and/or (iii) any action, claim, demand, proceeding, investigation, arbitration or judgment brought against EFSF (whether under securities laws, tender offer rules or otherwise) in connection with EFSF entering into and the performance of this Agreement, the Cofinancing Agreement or the transactions contemplated herein or in the MoU including the Voluntary Liability Management Transaction and any invitation memorandum or other document issued or entered into in connection therewith; and
- (j) to appoint the Common Paying Agent with the prior written consent of EFSF and, upon written demand by EFSF (acting at its discretion) the Beneficiary Member State shall replace the Common Paying Agent with a central bank which is a member of the Eurosystem, as proposed by EFSF, to perform its role and duties on substantially the same terms as are set out in the Cofinancing Agreement.

5. INTEREST, COSTS AND EXPENSES

- (1) In respect of the Financial Assistance, interest shall accrue on the Financial Assistance Amount at a rate equal to the Interest Rate during each Interest Period.
- (2) On each Interest Payment Date the Beneficiary Member shall pay in cleared funds to the Common Paying Agent to the account designated by it in writing to EFSF and the Beneficiary Member State (or to such other person or account as the Parties may agree from time to time for the purpose of this Agreement) an amount equal to the interest due and payable on such Interest Payment Date and the Common Paying Agent shall pay such amount to the account designated to it by EFSF.
- (3) Without prejudice to the terms of Clause 8, if the Beneficiary Member State fails to pay any sum payable under this Agreement on its due date, the Beneficiary Member State shall pay in addition default interest on such sum (or, as the case may be, the amount thereof for the time being due and unpaid) to EFSF from the due date to the date of actual payment in full, calculated by reference to successive interest periods (each of such length as EFSF may from time to time select, the first period beginning on the relevant due date and, wherever possible, the length of such period shall be that of one week) at a rate per annum on such overdue amount which is equal to the rate which is 200 basis points over the higher of (a) the EURIBOR rate applicable to the

relevant period selected by EFSF and (b) the Interest Rate which would have been payable if the overdue amount had, during the period of non-payment, constituted Financial Assistance. So long as the failure to pay continues, such rate shall be refixed in accordance with the provisions of this Clause 5(3) on the last day of each such interest period and unpaid interest under this Clause concerning previous interest periods shall be added to the amount of interest due at the end of each such interest period. The default interest is immediately due and payable.

- (4) EFSF shall provide, where reasonably requested by the Beneficiary Member State, a detailed description of all costs borne by the Beneficiary Member State, in particular, fees and other expenses, including the proportion borne by the Beneficiary Member State.
- (5) The Negative Carry, Loss of Interest, Issuance Costs and all other commissions, fees and costs incurred by EFSF in respect of the EFSF Debt Securities, Pre-Funding Operations, Interim Financings or Definitive Financings shall be promptly paid by the Beneficiary Member State within five (5) Business Days following the receipt of invoices which EFSF will periodically provide (such periodicity being no longer than quarterly) such payment to be made to the account designated by EFSF for this purpose.
- (6) EFSF shall be entitled to, where possible, deduct the Negative Carry together with all other commissions, fees and costs related to such Pre-Funding Operations when calculating the amount to be made available in relation to a Financial Assistance Amount.
- (7) The Beneficiary Member State undertakes to pay to EFSF all additional interest and all costs and expenses, including legal fees, incurred and payable by EFSF as a result of a breach of any obligation under this Agreement by the Beneficiary Member State.
- (8) In the event that any hedging instrument in relation to a Funding Instrument which is financing any Financial Assistance is terminated early for any reason (including early termination by EFSF in accordance with the hedging instrument documentation) then the Beneficiary Member State shall indemnify EFSF in respect of the cost of servicing the relevant Funding Instrument on a non-hedged basis and any costs incurred as a consequence of such early termination (to the extent such costs are not already included in the EFSF Cost of Funding).
- (9) The Beneficiary Member State shall bear all costs, charges and expenses, including legal, professional, banking or exchange charges incurred in connection with the preparation, execution, implementation and termination of this Agreement or any related document, any amendment, supplement or waiver in respect of this Agreement or any related document including the costs and expenses payable by EFSF in relation to the preparation and issuance of Funding Instruments to finance the Financial Assistance provided hereunder. These costs and expenses to be borne by the Beneficiary Member State include legal costs (such as costs incurred to obtain legal opinions and drafting documentation), rating agency costs, listing costs, travel costs (if applicable), commissions related to the Funding Instruments, fees of service providers and clearance systems, taxes, registration fees and publication costs.

- (10) If the circumstances set out in the definition of Disincentive Payment apply, such Disincentive Payment shall accrue and shall be paid by the Beneficiary Member State to EFSF on the last day of the calendar quarter in respect of which the Disincentive Fee is applicable. The Disincentive Payment will be refunded in full by EFSF, together with any accrued interest earned by the investment of such Disincentive Payment when disbursement(s) of financial assistance by EFSF to the Beneficiary Member State recommence(s).

6. **REPAYMENT, EARLY REPAYMENT, MANDATORY REPAYMENT AND CANCELLATION**

(1)

- (a) The Beneficiary Member State shall repay the principal amount of each Financial Assistance Amount in the amounts and on the Principal Payment Date(s) set out in the Amortisation Table.
- (b) The Beneficiary Member State shall transfer the amount of principal due to the Common Paying Agent to the account designated by it in writing to EFSF and the Beneficiary Member State (or by payment to such other person or account as the parties may agree from time to time for the purpose of this Agreement), and the Common Paying Agent shall pay such amount to the account designated to it by EFSF.
- (c) Any amount repaid or transferred to the account referred to in Clauses 6(1)(b) and 7(3) cannot be re-borrowed.
- (d) For the avoidance of doubt the parties acknowledge and agree that the payment obligations owed by the Beneficiary Member State to EFSF in respect of principal and interest are only discharged if and to the extent that EFSF actually receives amounts from the Common Paying Agent and that payment by the Beneficiary Member State to the Common Paying Agent does not of itself discharge the Beneficiary Member State of its payment obligations in respect of principal or interest owed to EFSF.

- (2) If financing granted to the Beneficiary Member State under New Greek Bonds is repaid in advance in whole or in part on a voluntary or mandatory basis, a proportional amount of the Financial Assistance Amount of the Financial Assistance provided under this Agreement shall become immediately due and repayable in a proportionate amount established by reference to the proportion which the principal sum repaid in advance in respect of the New Greek Bonds represents to the aggregate principal amount outstanding in respect of such New Greek Bonds immediately prior to such repayment in advance. The Beneficiary Member State shall reimburse all costs, expenses, fees, hedging costs and Loss of Interest incurred and/or payable by EFSF as a consequence of an early repayment in respect of any Financial Assistance under this Clause. For the avoidance of doubt, a purchase of New Greek Bonds by the Beneficiary Member State shall be subject to this Clause 6(2), unless either (a) the aggregate amount of such purchase at any point in time does not exceed EUR 1 billion and the purchases by the Beneficiary Member State are done for short-term investments (being investments held for six months or less) and not for the purpose of

holding the purchased New Greek Bonds to maturity or redeeming them or (b) EFSF has expressly consented to such transactions pursuant to Clause 4(2)(g).

- (3) The Beneficiary Member State may cancel, on not less than ten (10) Business Days' prior written notice, the whole or any part (being a minimum amount of EUR one hundred million) of the undisbursed amount of the Facility, provided that no Request for Funds for that amount has been made.
- (4) EFSF may cancel the whole or any part of the undisbursed amount of the Aggregate Financial Assistance Amount to be made available under this Agreement if (i) the MoU is amended in a way that it reduces the amount of the Financial Assistance available for the Beneficiary Member State, or (ii) the Beneficiary Member State notifies its intention not to draw any more under the Facility.
- (5) EFSF may also cancel the whole or any part of the undisbursed amount of the Aggregate Financial Assistance Amount if the Beneficiary Member State cancels the issue of New Greek Bonds, in whole or in part. In this case the cancellation of this Facility shall be proportionate to the proportion which the cancelled amount represents to the aggregate of the initial amounts of this Financial Assistance Facility Agreement and the intended volume for the issue of New Greek Bonds.
- (6) If EFSF certifies in writing to the Beneficiary that a Market Disruption Event has occurred and that it cannot re-finance the Funding Instruments which finance the Financial Assistance made available under this Facility at their maturity then, EFSF will, based on an assessment in coordination with the IMF, the Commission and the ECB of the liquidity position of the Beneficiary Member State, evaluate the Beneficiary Member State's capacity to repay the amount that is subject to the roll-over. If the result of the evaluation is that the Beneficiary Member State has sufficient cash resources available, then unless otherwise notified by EFSF, a corresponding amount of the Financial Assistance shall become due and payable at the date of maturity of such Funding Instruments. Such repayment shall constitute a scheduled repayment and not a voluntary or mandatory pre-payment.

7. PAYMENTS

- (1) All payments to be made by the Beneficiary Member State shall be paid in euro without set-off or counterclaim, free and clear of, and without deduction for and on account of, any taxes, commissions and any other charges for the entire term of this Agreement.
- (2) The Beneficiary Member State declares that all payments and transfers under this Agreement, as well as the Agreement itself, are not subject to any tax or any other impost in the country of the Beneficiary Member State and shall not be so subject for the entire term of this Agreement. If nevertheless the Beneficiary Member State or the Bank of Greece is required by law to make any such deductions, the Beneficiary Member State shall pay the requisite additional amounts so that, after making any deduction as is required by law, EFSF receives in full the amounts specified by this Agreement.
- (3) All payments of interest or principal by the Beneficiary Member State shall be made on the relevant due date in favour of the account of the Common Paying Agent (or

such other person or account as is agreed by the Parties for the purposes of this Agreement), the details of which shall be indicated by EFSF. Such payments shall only discharge the obligations of the Beneficiary Member State to EFSF if and to the extent that EFSF receives a corresponding payment from the Common Paying Agent in accordance with the terms of the Cofinancing Agreement. All other payments due from the Beneficiary Member State to EFSF under this Agreement shall be made to the account designated by EFSF for this purpose.

- (4) EFSF/the ECB shall advise the Beneficiary Member State, the Bank of Greece and the Common Paying Agent at least ten (10) Business Days prior to each Interest Payment Date and Principal Payment Date of the amount of principal and interest due and payable on such date and of the details (Interest Rate, Interest Period) on which the interest calculation is based.
- (5) The Beneficiary Member State shall send to EFSF, to the ECB and to the Common Paying Agent a copy of its payment instructions sent to the Bank of Greece at least two (2) Business Days prior to each Interest Payment Date and Principal Payment Date. All other payments due by the Beneficiary Member State to EFSF under this Agreement including Issue Costs, Loss of Interest, Negative Carry or other fees, costs, expenses or commissions due to EFSF shall be paid via SWIFT message in TARGET 2 before 11:00 a.m. Frankfurt time on the relevant due date to the account of EFSF designated for the purpose of this Agreement.
- (6) If the Beneficiary Member State shall pay an amount in relation to any Financial Assistance which is less than the total amount due and payable under this Agreement, the Beneficiary Member State hereby waives any rights it may have to make any appropriation of the amount so paid as to the amounts due.

The amount so paid in respect of such Financial Assistance shall be applied in or towards satisfaction of payments due in relation to such Financial Assistance in the following sequence:

- (a) *first* against any fees, expenses and indemnities;
- (b) *second* against any interest for late payments as determined under Clause 5(3);
- (c) *third* against interest; and
- (d) *fourth* against principal,

provided that these amounts are due or overdue for payment on that date.

- (7) Any calculation and determination by EFSF under this Agreement:
 - (a) shall be made in a commercially reasonable manner; and
 - (b) shall, absent manifest error, be binding on EFSF and the Beneficiary Member State.

8. EVENTS OF DEFAULT

- (1) EFSF may, by written notice to the Beneficiary Member State, cancel the Facility and/or declare the aggregate principal amount of all Financial Assistance Amounts made and outstanding hereunder to be immediately due and payable, together with accrued interest, if:
- (a) the Beneficiary Member State or the Bank of Greece shall fail to pay any amount of principal or interest in relation to any Financial Assistance or any other amounts due under this Agreement on its due date, whether in whole or in part, in the manner and currency as agreed in this Agreement; or
 - (b) EFSF sends the Beneficiary Member State a declaration of default in circumstances where the Beneficiary Member State or the Bank of Greece shall default in the performance of any obligation under this Agreement or the Cofinancing Agreement (including the obligation set out in Clause 1(5) of this Agreement to apply any Financial Assistance in accordance with the terms of the MoU but excluding any other obligations under the MoU) other than the obligations referred to in Clause 8(1)(a) of this Agreement, and such default shall continue for a period of one month after written notice thereof shall have been given to the Beneficiary Member State by EFSF; or
