Dear Mr Buisman,

In my e-mail dated 10 December 2019, I informed you that the Enlarged Bureau would take a decision on the request by the Second Chamber of the Dutch Parliament at its meeting of March 2020.

Due to the pandemics, this meeting could not take place and was postponed to 17 June 2020, when the Enlarged Bureau met online.

The Enlarged Bureau decided:

- to prepare a questionnaire to be sent to its members; the replies would be published;
- to organise a conference with rapporteurs from a limited number of states (those with the most interesting experience).

We will inform you about the next steps.

Yours sincerely,

Thomas Markert
Director, Secretary of the Venice Commission
