

Choose EU Inc.

March 2026

Europe is bursting with ambition, talent and ideas. But founders face major obstacles when growing, and too many ask themselves “Should I stay or should I go”?

With **EU Inc.**, we give them the right framework to stay and grow here in Europe.

► **Fast and cheap**

Registration in
48 hours.
Maximum cost
of €100.

► **Simple**

Fully digital.
Once-only submission
of information.

Central EU register for
company information.

► **Low risk**

With simplified
and digital insolvency
for startups

► **Attractive for investors**

Simple transfer of
shares and access
to the stock exchange.

► **Attractive for employees**

Easier access to employee
stock options.

► **Strong safeguards**

No weakening of the rules
that protect workers.

A wide set of measures will complement **EU Inc.** to enable businesses to reap the full benefits of the Single Market.

Digitalisation

Full use of digital tools, such as the **European Business Wallet**.

Attracting talent

Exploring **100% cross-border telework** for startups and scaleups.

A **Skills Portability Initiative** to facilitate labour mobility.

Predictable system

Encouraging Member States to set up **specialised courts** for EU Inc. companies.

Access to Finance

Easier flow of venture capital with the review of **European Venture Capital Funds Regulation**.
